PROJECT ANNOUNCEMENTS

Oscar Cooler Sports Complex - Lutz, FL

DFI has just begun a 32 acre park complex which includes four soccer fields, two football fields, concession buildings, maintenance buildings and associated site infrastructure. The project is being constructed around protected wetlands, which provide natural buffers to the finished complex. We are pleased to be working with Wilson Miller of Tampa, FL.

Bridgeway Acres - St. Petersburg, FL

DFI has recently completed a 13,000 square foot expansion at the Pinellas County chemical collection and recycling facility. This \$3.2 project consisted of existing structure demolition, sitework, a new administration building and new chemical collection building. We were pleased to be working with PBS&J of Tampa, FL.

Village Shoppes at Northwood - Wesley Chapel, FL

DFI has recently completed a 24,000 square foot commercial retail center. We would like to congratulate Nutrition S'Mart for becoming the anchor tenant and hope they exceed their expectations in this prime location. We were pleased to be working with Cuhaci & Peterson Architects of Orlando, FL.
